MORNING MEETING ACTION ITEM

TO: D/DCI/NIPE

Maury called attention to Senator Symington's request for data on all our installations abroad. After some discussion the Director asked that the relevant material on all intelligence installations abroad be assembled for his review. Bross noted that Senator Symington has the Wood report. (Following the meeting Bross called to say that General Reynolds will chair a group consisting of [] DD/P; Jack Blake, DD/S; and [] DD/S&T to assemble the related material and draft an appropriate response for the Director's review.)
